BACK TO NATURE LANDSCAPING:

TEACHING KITCHEN INSTALL

Designed by Virginia Tech Staff and Students, the teaching kitchen was installed by Back to Nature Landscaping and Construction.

BETTER BATHROOMS AND KITCHENS:

MATSON

Before

After

Considerations were made during this remodel because there was a small child at home and planning the remodel to minimize impact on family life was critical.

EWING BUILDING AND REMODELING:

SLATE CREEK BUILDERS:

DUNTON

“The end result is a spacious, light filled space with ample room for multiple functions. Kitchen, office, wet bar, dining, and social space all coexist beautifully.”

-Phyllis Garnett-Deakin
