Dear Friends of MCEAP in the New River Valley Home Builders Association:

The Montgomery County Emergency Assistance Program, Inc. (MCEAP), a partner agency of the United Way of Montgomery, Radford and Floyd, acknowledges receipt of your generous contribution of \$155.21, which was deposited on 1/19/2010, and certifies that no goods or services were provided in return.

MCEAP serves individuals and families in Montgomery County who are in temporary financial crisis and need help obtaining food, clothing, rent, heating, utilities, gasoline, furniture and/or prescription medications. During 2009, MCEAP provided emergency assistance in 2665 cases (a ten percent increase over 2008, and a greater than forty percent increase over 2007!) Contributions such as yours have enabled MCEAP to have a significant impact in the lives of an ever-increasing number of our friends and neighbors at a time when they are unable to help themselves, but we still have not been able to provide for all those who have come to us in need.

MCEAP's Board of Directors and our clients appreciate your financial support of this vital mission of emergency assistance unique to Montgomery County, but most of all for your care and concern for your fellow citizens in their time of need.

Sincerely,

Anjanette B. Hodges
Treasurer, MCEAP

WHAT DOES LOVE LOOK LIKE?

What does love look like? It has the hands to help others. It has the feet to hasten to the poor and needy. It has the eyes to see misery and want. It has the ears to hear sighs and sorrows of God's children. That is what love looks like.
